**ORDER**

By the General Counsel, U.S. Department of Energy:

1. In this Order, I adopt the attached Compromise Agreement entered into by the U.S. Department of Energy (“DOE”) and Turbo Air, Inc. (“Respondent”). The Compromise Agreement resolves the case initiated to pursue a civil penalty for distributing in commerce in the United States commercial refrigerator-freezers that are not in compliance with the applicable standard for energy conservation in 10 C.F.R. § 431.66.
2. DOE and Respondent have negotiated the terms of the Compromise Agreement that resolves this matter. A copy of the Compromise Agreement is attached hereto and incorporated by reference.
3. After reviewing the terms of the Compromise Agreement and evaluating the facts before me, I find that the public interest would be served by adopting the Compromise Agreement.
4. Based on the information in the case file and Respondent’s admission of facts establishing violations, I find that Respondent committed Prohibited Acts by distributing in commerce commercial refrigerator-freezers that are not in compliance with the applicable energy conservation standard. *See* 42 U.S.C. § 6302; 10 C.F.R. § 429.102(a)(6).
5. Accordingly, pursuant to 10 C.F.R. § 429.120 and 42 U.S.C. § 6303, **I HEREBY ASSESS** a civil penalty of \$7,800 **AND ORDER** that the Compromise Agreement attached to this Order is adopted.
