

**BEFORE THE
U.S. DEPARTMENT OF ENERGY
WASHINGTON, D.C. 20585**

In the Matter of:

Teco Electric and Machinery Company
Respondent

Case Number: 2018-SE-65002

ORDER

By the General Counsel, U.S. Department of Energy:

1. In this Order, I adopt the attached Compromise Agreement entered into between the U.S. Department of Energy (“DOE”) and Teco Electric and Machinery Company (“Respondent”). The Compromise Agreement resolves the case initiated to pursue a civil penalty for distributing in commerce in the United States electric motors that failed to meet the applicable energy conservation standard at 10 C.F.R. § 431.25.
2. DOE and Respondent have negotiated the terms of the Compromise Agreement that resolves this matter. A copy of the Compromise Agreement is attached hereto and incorporated by reference.
3. After reviewing the terms of the Compromise Agreement and evaluating the facts before me, I find that the public interest would be served by adopting the Compromise Agreement.
4. Based on the information in the case file and Respondent’s admission of facts establishing violations, I find that Respondent committed Prohibited Acts by distributing in commerce electric motors that were not in conformity with the applicable energy conservation standard. *See* 42 U.S.C. §§ 6303 and 6316 and 10 C.F.R. §431.382.
5. Accordingly, pursuant to 10 C.F.R. § 431.382 and 42 U.S.C. §§ 6303 and 6316, I **HEREBY ASSESS** a civil penalty of \$10,136 **AND ORDER** that the Compromise Agreement attached to this Order is adopted.
