Subject: Nopetro Application to Amend Long-Term Authorization for Small-Scale LNG Exports (Expedited Action Requested)

Dear DOE/FE:

Attached please find Application of Nopetro LNG, LLC to Amend Long-Term Authorization for Small-Scale LNG Exports. As more fully explained in the attached application, Nopetro respectfully requests

that DOE/FE extend the time period for Nopetro to commence small-scale LNG exports to non-FTA countries from two years (ending on March 23, 2023) to four years (ending on March 23, 2025).

We would greatly appreciate expedited action on this request to amend so that Nopetro's authorization remains effective.

Please feel free to reach out to me if you have any questions or need any additional information. Thank you for your kind consideration.

Best regards.
