STATE & COMMUNITY ENERGY PROGRAMS

We're Hiring! Home Rebate Program Tribal Outreach Manager

The U.S. Department of Energy's (DOE) [Office of State and Community Energy Programs](#) is hiring a **Tribal Outreach Manager** to help deliver the [\\$225M Tribal Home Energy Rebates Program](#) under the [Home Energy Efficiency and Electrification Rebate Programs](#) appropriated through the Inflation Reduction Act (IRA) of 2022. This program awards grants to Tribal Governments and Alaska Native entities to develop and implement a high-efficiency electric home rebate program for qualified electrification projects including electric heat pump HVAC and hot water systems; electric heat pump clothes dryers; electric stoves, cooktops, or ovens; electric circuit panel and wiring upgrades; and home insulation, air sealing, and ventilation upgrades.

DOE seeks candidates from diverse backgrounds across the United States. Preferred candidates will have experience in project management, working with (or directly for) an American Indian or Alaska Native tribal government, and working knowledge of/experience with energy efficient electric appliances, equipment, and technologies.

More Information
