

Detroit Public Schools Community District Team Summary Slide – Energy CLASS 2023

- **Challenge:** Providing the healthiest environment for our students in which to learn and grow is our responsibility and our pledge but given the challenges we face as a District we need support to accomplish this.
- **Priority Facilities:**
 -  Osborn High School
 -  Mark Twain School for Scholars
 -  A.L. Holmes Academy of Blended Learning
- **Impact:** Better over-all energy management in the District would greatly benefit our 53,000 students, 3,227 teachers, and 3,889 staff.
- **Team & Energy Champions:**
 -  Alexander Smith, Energy & Sustainability Director & Energy Champion
 -  Carol Dargin, Deputy Executive Director of Facilities & Energy Champion
 -  Machion Jackson, Assistant Superintendent, Office of Operations
 -  Suzanne Baker, Grant Writer
