

AGENDA
Workshop - CCUS in Central and Eastern Europe
Warsaw, Poland
June 14, 2023

The purpose of the workshop is to share knowledge and experiences from CCUS activities and projects in operation, in development or in plans, with a special focus on the potential of Central and Eastern Europe (CEE). During the event, there will be presentations and panel discussions on R&D activities, capacities and competences, and on building CCUS infrastructure. There will also be an opportunity to participate in breakout group discussions on public acceptance of CCUS projects.
