Filing of Contract Amendment Under Seal for LNG Americas, Inc. (f/k/a SK

E&S LNG, LLC)

Dear Ms. Sweeney:

On May 9, 2023, LNG Americas, Inc. (f/k/a SK E&S LNG, LLC) ("Seller") and Prism Energy International PTE. LTD. ("Prism") entered into an amendment (the "Second Amendment") to the long-term LNG Sale and Purchase Agreement for the sale of liquefied natural gas from the Freeport LNG terminal near Freeport, Texas (the "SPA") that was executed by the parties on November 8, 2019, and previously filed with the DOE/FE under seal on November 19, 2019 (the "Major Provisions Summary Letter"). The first amendment to the SPA was executed by the parties on July 16, 2020, and was filed with the DOE/FE under seal on July 31, 2020.

As it relates to changes to any of the provisions set forth in Exhibit A (the "Material Provisions") to the Major Provisions Summary Letter, the Second Amendment adjusts the annual contract quantity to 103,500,000 MMBtu for all years (other than 2023, in which case the annual contract quantity is 104,500,000 MMBtu) and modifies operational tolerances.

Except as noted above, the Second Amendment does not alter any of the material terms of the SPA as reflected in the previously submitted public summary.

Seller is separately submitting, via overnight courier, a non-redacted copy of the Second Amendment under seal in a marked envelope. The Second Amendment, like the SPA itself, is highly confidential and contains commercially sensitive and proprietary information, the disclosure of which would cause competitive and financial harm to Seller and Prism. Accordingly, Seller respectfully requests that the Second Amendment be treated and maintained as confidential to the greatest extent permitted by law, including under exemptions from disclosure provided by the Freedom of Information Act, 5 U.S.C. § 552(b)(4), and under DOE regulations, including 10 C.F.R. §§ 590.202(e) and 1004.11.

Please do not hesitate to contact the undersigned if you have any questions regarding this filing.

Very truly yours,

Gabriel Procaccini
