Dear Ms. Gomer:

On December 22, 2017, GridAmericia Holdings, Inc. (“GridAmerica”) submitted a Presidential Permit Application to the US Department of Energy (“DOE”) for the Granite State Power Link project (the “Project”). The Project received docket number PP-443 from DOE. GridAmerica hereby requests to withdraw its Presidential Permit Application for this project.

Please note that GridAmerica legally changed its name to NGV US Transmission Inc. on March 27, 2019.

Please let me know if you need any additional information for this action.

Sincerely,

James Chicowski  
Secretary  
NGV US Transmission Inc.
