

**BEFORE THE  
U.S. DEPARTMENT OF ENERGY  
Washington, D.C. 20585**

In the Matter of:

**Guangdong Coomo Technology Co. Ltd.**  
(miscellaneous refrigeration products)

Case Number: 2023-CE-61006

**ORDER**

For the U.S. Department of Energy (“DOE”):

1. On May 9, 2023, under the above-listed case number, DOE initiated a case against Guangdong Coomo Technology Co. Ltd. (“Respondent”) to pursue a civil penalty for knowingly distributing in commerce in the United States basic models of miscellaneous refrigeration products without submitting to DOE a certification report certifying that those basic models complied with the applicable energy conservation standards.
2. Miscellaneous refrigeration products are covered products pursuant to 42 U.S.C. § 6292(a)(20) and 10 C.F.R. § 430.2.
3. Pursuant to 10 C.F.R. § 429.12, manufacturers are required to submit to DOE a certification report certifying that each basic model of a covered product meets the applicable energy conservation standard, before distributing each basic model in commerce in the United States and annually thereafter.
4. Failure to submit a certification report for a covered product in accordance with 10 C.F.R. § 429.12 is a prohibited act pursuant to 10 C.F.R. § 429.102(a)(1) and subject to civil penalties as described in 10 C.F.R. § 429.120.
5. Pursuant to 10 C.F.R. § 429.120, each day that a manufacturer fails to submit a certification report for a basic model is a separate violation.
6. Respondent admitted the following:
  - a. Respondent has manufactured<sup>1</sup> miscellaneous refrigeration products, including the following basic models in Respondent’s Tylza line: TYBC100SD, TYBC120, TYWC100, and TYWC510S (“the basic models”).

---

<sup>1</sup> “Manufacture” means to manufacture, produce, assemble, or import. 42 U.S.C. § 6291(10).

- b. Respondent has distributed in commerce<sup>2</sup> in the United States for at least 365 days, and continue to distribute, the basic models.
  - c. Respondent knowingly failed to submit a certification report for the basic models before distributing those models in commerce in the United States, and annually thereafter, in violation of 10 C.F.R. § 429.12.
7. Based on the information above, I find that Respondent knowingly committed Prohibited Acts by manufacturing and distributing in commerce basic models of a covered product without submitting to DOE a certification report certifying that those basic models complied with the applicable energy conservation standards. *See* 42 U.S.C. § 6302; 10 C.F.R. §§ 429.102(a)(1).
8. Accordingly, pursuant to 10 C.F.R. § 429.120 and 42 U.S.C. §§ 6303 and 6316, I **HEREBY ASSESS** a civil penalty of \$20,000 (twenty thousand dollars) **AND ORDER** that the Settlement Agreement attached to this Order is adopted.

---

Samuel T. Walsh
