Dear Mr. Barnes:

This letter is to confirm the release of Building 363 at the Boeing North America/Rocketdyne Santa Susana Field Laboratory. A final confirmatory radiation survey conducted by the Department resulted into issuance of Amendment 99 to California Radioactive Material License Number 0015-19, dated July 9, 1998 releasing Building 363 facility to unrestricted use.

If you have any questions regarding this amendment, you can contact Pete Patel of this Department at (916) 324-7837.

Sincerely,

A handwritten signature in black ink that reads "David Wesley".
