

Eligible Activity Areas and their Recommended Process Metrics		
EECBG Eligible Activity Area	Primary Metric (recommended):	Additional Optional Metrics
Category (1) Strategy Development and Implementation	7. Energy Policy and Planning	11. Community and Stakeholder Engagement
		10. Other
Category (2) Retaining Technical Consulting Services	7. Energy Policy and Planning	All other metrics
Category (3) Residential and Commercial Building Audits*	8. Energy Audits	1. Retrofits
		3. Government, School, Institutional Procurement
		5. Renewable Energy Market Development
Category (4) Financial Incentives for Energy Efficiency	4. Financial Instruments	7. Energy Policy and Planning
		1. Retrofits
Category (5) Energy Efficiency Retrofit Grants for Government Agencies and Nonprofit Organizations*	1. Retrofits	3. Government, School, Institutional Procurement
		5. Renewable Energy Market Development
		11. Community and Stakeholder Engagement
Category (6) Energy Efficiency and Conservation Programs for Buildings and Facilities*	Any of the Additional Optional Metrics can be listed as the primary metric	7. Energy Policy and Planning
		9. Training and Education/ Technical Assistance
		11. Community and Stakeholder Engagement
		1. Retrofits
		6. Building Codes and Standards
Category (7) Conservation of Transportation Energy*	2. Transportation Infrastructure and Vehicles	3. Government, School, Institutional Procurement
Category (8) Building Codes and Inspection Services*	6. Building Codes and Standards	9. Training and Education/ Technical Assistance
		11. Community and Stakeholder Engagement
Category (9) Energy Distribution Technologies*	Any of the Additional Optional Metrics can be listed as the primary metric	5. Renewable Energy Market Development
		3. Government, School, Institutional Procurement; OR
		1. Retrofits

Eligible Activity Areas and their Recommended Process Metrics		
EECBG Eligible Activity Area	Primary Metric (recommended):	Additional Optional Metrics
Category (10) Material Conservation Programs*	10. Other	3. Government, School, Institutional Procurement
		9. Training and Education/ Technical Assistance
		11. Community and Stakeholder Engagement
Category (11) Reduction, Capture, and Use of Landfill Gases*	Any of the Additional Optional Metrics can be listed as the primary metric	1. Retrofits
		3. Government, School, Institutional Procurement
		5. Renewable Energy Market Development
		10. Other
Category (12) Replacement of Traffic Signals and Street Lighting*	2. Transportation Infrastructure and Vehicles	1. Retrofits
		3. Government, School, Institutional Procurement
Category (13) On-site Renewable Energy On or In a Government Building*	5. Renewable Energy Market Development	3. Government, School, Institutional Procurement
		7. Energy Policy and Planning
Category (14) Programs for Financing, Purchasing, and Installing Energy Efficiency, Renewable * Energy, and Zero-emission Transportation (and associated infrastructure) Measures and Capital Investments, Projects, and Programs for Leveraging Public and Private Sector Funds	Any of the Additional Optional Metrics can be listed as the primary metric	1. Retrofits
		2. Transportation Infrastructure and Vehicles
		3. Government, School, Institutional Procurement
		4. Financial Instruments
		5. Renewable Energy Market Development
		7. Energy Policy and Planning
*Asterisk indicates that grantees pursuing this activity should complete the One-Time Location Report Note: Grantees utilizing a blueprint should choose the primary metric that aligns with the activity category their blueprint falls in
