Subject: FW: Please Vacate Authorizations for J.P. Morgan Commodities Canada Corporation
Date: Monday, March 02, 2015 4:07:38 PM

Good afternoon,

I have not received confirmation that the below request to vacate the detailed authorizations has been processed. Would you please advise whether or not they have been vacated, and if they have not, when we should expect confirmation that they have been?

Thank you,
Chloe

Subject: Please Vacate Authorizations for J.P. Morgan Commodities Canada Corporation

Effective October 1, 2014, Mercuria Commodities Canada Corporation purchased the legal entity J.P. Morgan Commodities Canada Corporation. Accordingly, we request that the following authorizations be vacated:

- J.P. Morgan Commodities Canada Corporation Docket No. 12-151-NG/Order No. 3246 (long-term export to Canada)
- J.P. Morgan Commodities Canada Corporation Docket No. 13-76-NG/Order No. 3308 (blanket import/export from/to Canada)

We confirm that there was no activity for either authorization in December of 2015, or in January of 2015.

Please confirm receipt of this email, and notify us when the authorizations have been vacated.

Please contact me if you require any additional information.

Thank you,
Chloe
