I have confirmed that our firm's policy is to sign such letters in the name of the firm, and not an individual partner. That said, I can confirm that I approved the letter that was provided with TEC Energy's export authorization application.

Please let us know if you need any additional information.

Thank you,

Thanks for your email. We would be happy to provide the needed information and documents.

I will have to ask our IT staff to add this email address to the permitted list. Generic email addresses quite often get caught in our email filter.

Greetings, Mr. Williams,

The US Department of Energy received the attached Electricity Export Authorization

Application from TEC Energy Inc. (TEC Energy) that includes a Legal Opinion of Council from Norton Rose Fullbright (Exhibit B). TEC Energy has provided your contact information as the attorney who prepared the opinion.

Could you please confirm that you or another attorney at Norton Rose Fullbright prepared and provided the legal opinion in the document?

Upon confirmation, please resubmit the document to this email address (electricity.exports@hq.doe.gov), to include the preparing attorney's name, contact information, and their signature.

Thank you,

Dear DOE,

Please find attached an updated PDF document that combined both the renewal application and Exhibit B Legal Opinion into one document.

Thank you.

Dear US Department of Energy,

Please find attached our application for renewal of our Electricity Export Authorization - EA-388.

The application fee of 500\$ was paid last week as per received confirmation.

Please let us know should any other information be required on our end.

Thank you very much.
