SUBJECT: **Weatherization Assistance Program GovDelivery Distribution List**

TO: **Weatherization Assistance Program Grantees**

INTENDED

AUDIENCE: **Grantee Program Managers; Subgrantee Program Managers**

The Department of Energy's (DOE) Weatherization Assistance Program (WAP) is excited to announce the opportunity for the WAP network at all levels to be able to receive notifications when new Weatherization Program Notices (WPN), Memorandums, and/or Training Resources are uploaded to the Office of Energy Efficiency and Renewable Energy (EERE) website. In the recently held Solution Summit meetings across the country with various levels of professionals from field workers to state level program managers, it was recommended that DOE improve its efforts in communicating key program and policy updates to not only the Grantee level offices, but the Subgrantee level too.

Anyone interested in being added to the GovDelivery distribution list should complete the form located at this site: https://public.govdelivery.com/accounts/USEERE/subscriber/new?topic_id=USEERE_628.

GovDelivery emails will arrive in your inbox via the following address: wapta@service.govdelivery.com.
