Date: Friday, November 17, 2023 7:50:43 PM

Dear Jennifer Granholm,

Dear President Biden and Secretary Granholm,

I am writing to urgently request that you do not approve Venture Global's and Commonwealth's applications to the Department of Energy (DOE) for a license to export liquefied methane gas (LNG) for the proposed CP2 LNG and Commonwealth LNG facilities in Cameron Parish, Louisiana.

Thank you for your consideration.

Sincerely,

Patrick Otton
