RE: Company legal name change and removal of amalgamated company orders

To whom it may concern,
I am writing to inform you of a recent development regarding Cryopeak LNG Solutions Corporation and Ferus Natural Gas Fuels Inc.

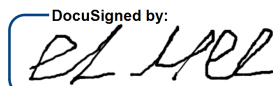

Cryopeak LNG Solutions Corporation and Ferus Natural Gas Fuels Inc. have amalgamated to form Cryopeak Energy Solutions Corporation on February 1st 2024. Please note that Cryopeak Energy Solutions Corporation is the successor of both former entities, maintaining the key management personnel and most prior members of the board of directors.

As a result of this amalgamation, we will need to update the entity name of Cryopeak LNG Solutions Corporation Order 4865 and 4865-A to Cryopeak Energy Solutions Corporation. Additionally, the orders associated with Ferus Natural Gas Fuels Inc. Order 4977 will be vacated, as it will no longer be in use.

Please let us know if you need anything else to complete this request.
