**RE: GULFSTREAM LNG DEVELOPMENT, LLC, FECM Docket No. 23-24-LNG  
Amendment to Application for Long-Term Authorization to Export Liquefied Natural Gas**

Dear Ms. Sweeney:

On March 21, 2024, GULFSTREAM LNG DEVELOPMENT, LLC ("Gulfstream LNG"), amended its application for long-term authorization to export liquefied natural gas ("LNG") as described in its March 10, 2023 Application ("Application") pursuant to 10 C.F.R. § 590.204. The purpose of the amendment is to substitute a new site on which the Project will be constructed. It has since come to our attention that the map attached to the amendment filing in Exhibit B was altered during the process of conversion to a pdf for filing.

Gulfstream LNG is therefore filing a revised Exhibit B and attests that a copy of revised Exhibit B, was sent via US Mail to the U.S. Department of Energy on April 4, 2024.

Should you have any questions about the foregoing, please feel free to contact the undersigned.

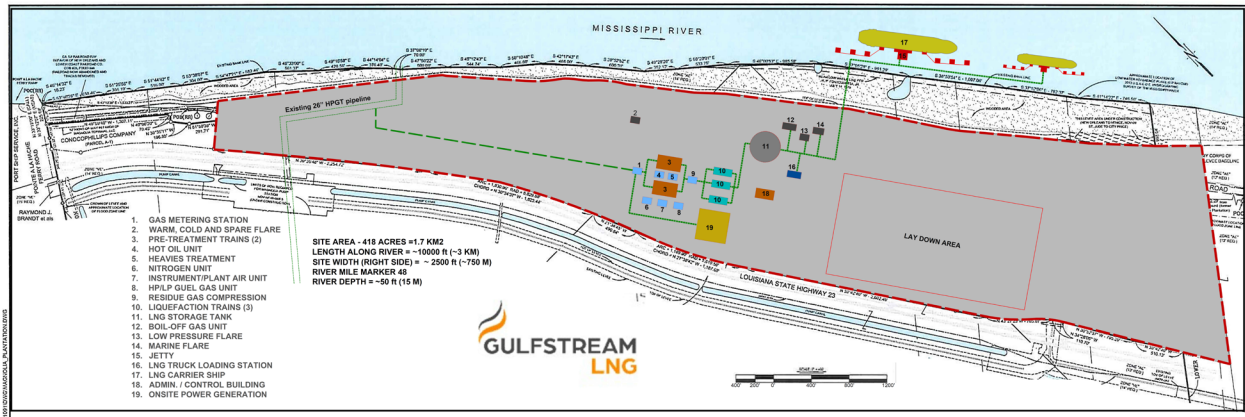

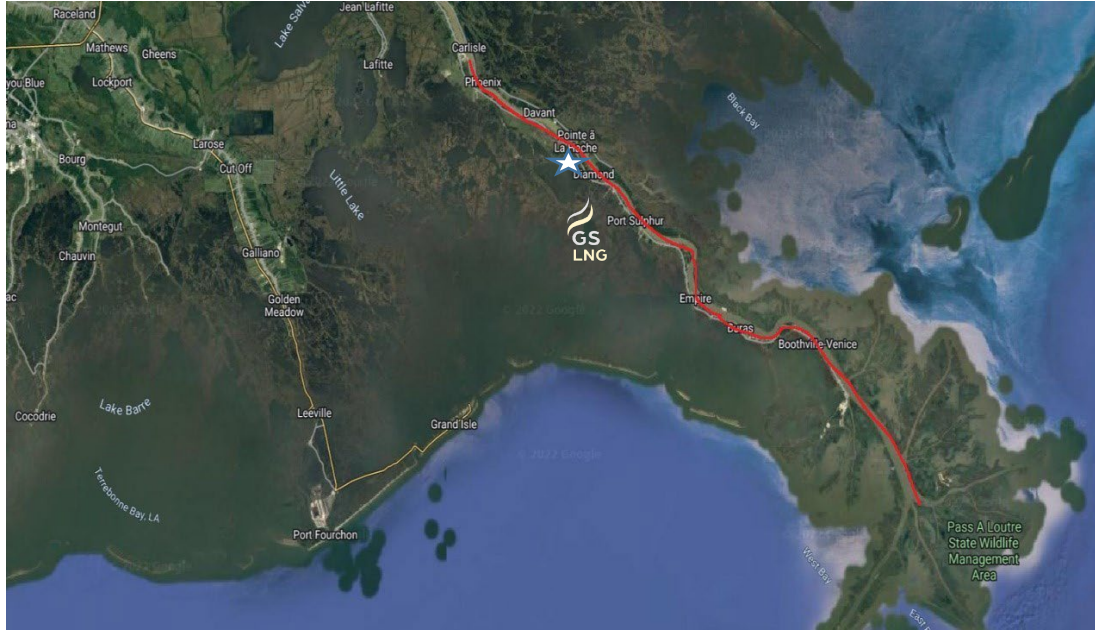

Sincerely,

*Howard L. Nelson*
