[Cryopeak Energy Solutions Corporation - Filed Amalgamation \(02-01-2024\) - Short.pdf](#)

Hi all,

That is correct – Ferus Natural Gas Fuels Inc. and Cryopeak LNG Solutions Corporation have amalgamated to form Cryopeak Energy Solutions Corporation. We would like to retain the Cryopeak orders and put forth a name change to Cryopeak Energy Solutions Corporation. The Ferus Natural Gas Fuels Inc. orders can be vacated once the continuance of Cryopeak's have been confirmed.

Attached is the amalgamation certificate and articles indicating the two amalgamating corporations.

Hello Beverly,

Yes the below is correct. Cryopeak LNG Solutions Corporation and Ferus Natural Gas Fuels Inc. have amalgamated to form *Cryopeak Energy Solutions Corporation*. We will need a name change for our Cryopeak order 4865 and 4865-A to the new entity name. The Ferus Natural Gas Fuels Inc. order 4977 will be vacated as it will no longer be in use.

[@Hardeep Rai](#) Could you please confirm all is correct?

Warm Regards,

Kitty Li

Hello,
I am writing to inform you of a recent development regarding Cryopeak LNG Solutions Corporation and Ferus Natural Gas Fuels Inc.

Cryopeak LNG Solutions Corporation and Ferus Natural Gas Fuels Inc. have amalgamated to form Cryopeak Energy Solutions Corporation. Please note that Cryopeak Energy Solutions Corporation is the successor of both former entities, maintaining the key management personnel and most prior members of the board of directors.

As a result of this amalgamation, we will need to update the entity name of Cryopeak LNG Solutions Corporation to Cryopeak Energy Solutions. Please find attached name change request and amalgamation certificate.

Warm Regards,
