TO EXPORT LIQUEFIED NATURAL GAS TO CANADA BY VESSEL, AND
TO IMPORT LIQUEFIED NATURAL GAS FROM VARIOUS INTERNATIONAL SOURCES BY VESSEL

DOE/FECM ORDER NO. 5127

JUNE 14, 2024

I. **DESCRIPTION OF REQUEST**

On May 10, 2024, S. D. Sunnyland Enterprises, Incorporation (S. D. Sunnyland Enterprises) filed an application with the Office of Fossil Energy and Carbon Management (FECM) of the Department of Energy (DOE) requesting blanket authorization under section 3 of the Natural Gas Act (NGA)¹ for the authority summarized in the list below. The applicant requests the authorization for a two-year term beginning on July 20, 2024.² S. D. Sunnyland Enterprises is a Virginia corporation with its principal place of business in Falls Church, Virginia.

1. Import liquefied natural gas (LNG) from various international sources by vessel at any LNG import terminal in the United States and its territories
2. Export LNG to Canada by vessel from any LNG export terminal in the United States and its territories

Import and export authority was requested for up to a combined total volume equivalent to 20 billion cubic feet (Bcf) of natural gas.³

II. **FINDING**

DOE has evaluated the application to determine if the proposed import and/or export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under NGA section 3(c), imports and exports of natural gas, including LNG, from or to any country with which the United States has entered into a free trade agreement (FTA) requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest.⁴ DOE must grant such applications without modification or delay.⁵ The authorization sought by S. D. Sunnyland Enterprises meets the NGA section 3(c) criteria, and, therefore, is deemed to be consistent with the public interest.

1. Authority to regulate the imports and exports of natural gas, including liquefied natural gas, under section 3 of the NGA (15 U.S.C. § 717b) has been delegated to the Assistant Secretary for FECM in Redelegation Order No. S4-DEL-FE1-2023, issued on April 10, 2023.

2. S.D. Sunnyland Enterprises' blanket authorization, granted in DOE/FECM Order No. 4840, extends through July 19, 2024.

3. See email from Dr. Syung Han, CEO and President, S.D. Sunnyland Enterprises, Incorporation, to DOE (May 28, 2024).

4. 15 U.S.C. § 717b(c).
