

**BEFORE THE  
U.S. DEPARTMENT OF ENERGY  
Washington, D.C. 20585**

In the Matter of:

**VEGER Power Inc.**  
(battery chargers)

Case Number: 2024-CE-39004

**ORDER**

For the U.S. Department of Energy (“DOE”):

1. On May 23, 2024, under the above-listed case number, DOE issued a Notice of Proposed Civil Penalty to VEGER Power Inc. (“Respondent”) to pursue a civil penalty against Respondent for knowingly distributing in commerce a battery charger basic model without submitting to DOE a report certifying that the basic model complies with the applicable energy conservation standards.
2. Battery chargers are covered products pursuant to 42 U.S.C. §§ 6292(a)(20) and 6295(u), and 10 C.F.R. § 430.2, that are subject to the energy conservation standards at 10 C.F.R. § 430.32(z).
3. Pursuant to 10 C.F.R. § 429.12, manufacturers are required to submit to DOE a certification report certifying that each basic model meets the applicable energy conservation standard, before distributing each basic model in commerce and annually thereafter.
4. Failure to submit a certification report for a covered product in accordance with 10 C.F.R. § 429.12 is a prohibited act pursuant to 10 C.F.R. § 429.102(a)(1) and subject to civil penalties as described in 10 C.F.R. § 429.120.
5. Pursuant to 10 C.F.R. § 429.120, each day that a manufacturer fails to submit a certification report for a basic model is a separate violation.
6. Respondent admitted the following:
  - a. Respondent has manufactured<sup>1</sup> battery chargers, including VEGER brand basic model V1115 (“the basic model”).

---

<sup>1</sup> “Manufacture” means to manufacture, produce, assemble, or import. 42 U.S.C. § 6291(10).

- b. Respondent has distributed in commerce<sup>2</sup> the basic model for at least 365 days.
  - c. Respondent knowingly failed to submit a certification report for the basic model prior to distributing it in commerce and annually thereafter, in violation of 10 C.F.R. § 429.12.
7. Based on the information above, I find that Respondent knowingly committed Prohibited Acts by manufacturing and distributing in commerce a basic model of a covered product without submitting to DOE a certification report certifying that the basic model complies with the applicable energy conservation standards. *See* 42 U.S.C. § 6302; 10 C.F.R. § 429.102(a)(1).
8. Accordingly, pursuant to 10 C.F.R. § 429.120 and 42 U.S.C. §§ 6303 and 6316, I **HEREBY ASSESS** a civil penalty of \$30,000 (thirty thousand dollars), **ORDER** Respondent to pay the assessed civil penalty in full within 30 calendar days, and **ORDER** that the Settlement Agreement attached to this Order is adopted.

---

Samuel T. Walsh  
General Counsel
