DOE will take the following steps in the process of its analysis:

- **Step 1:** Identify service contracts with special interest functions.
- **Step 2:** Notify respective programs responsible for contract functions.
- **Step 3:** Programs identify contracts for in-depth review based on following criteria:
 - Based on the 10 criteria identified within the Consolidated Appropriations Act, DOE Programs will prioritize its selection of contracts for further review in the following order:
 - Tier 1: Potential for inherently governmental performance by contractors;
 - Tier 2: Contracts providing services classified as special interest functions;
 - Tier 3: Contracts that do *not* include special interest functions, but were awarded on a non-competitive basis; and
 - Tier 4: Contracts that do *not* include special interest functions but meet any one of the remaining designated criteria.
- **Step 4:** Programs evaluate contracts in accordance with policy and guidance.
- **Step 5:** Programs report results of evaluation to OAM for consolidation.
- **Step 6:** Contracting Officers (CO) review contractor data and work with contractors to make revisions and fill gaps, as necessary.
- **Step 7:** OAM reports consolidated results of analysis as well as the supplemental report to OMB/OFPP.
