SOLENSA S.A. DE CV

DOCKET NO. 24-76-LNG

ORDER GRANTING BLANKET AUTHORIZATION
TO EXPORT LIQUEFIED NATURAL GAS TO MEXICO BY TRUCK

DOE/FECM ORDER NO. 5155

AUGUST 16, 2024

I. DESCRIPTION OF REQUEST

On August 5, 2024, Solensa S.A. de CV filed an application with the Office of Fossil Energy and Carbon Management (FECM) of the Department of Energy (DOE) requesting blanket authorization under section 3 of the Natural Gas Act (NGA)¹ for the authority summarized in the list below. The applicant requests the authorization for a two-year term beginning on September 30, 2024.² Solensa S.A. de CV is a Mexico corporation with its principal place of business in Monterrey, Nuevo Leon, Mexico.

1. Export liquefied natural gas (LNG) to Mexico by truck, up to a total volume equivalent to 0.5 billion cubic feet (Bcf) of natural gas, from any LNG departure facility in the United States and its territories

II. FINDING

DOE has evaluated the application to determine if the proposed import and/or export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under NGA section 3(c), imports and exports of natural gas, including LNG, from or to any country with which the United States has entered into a free trade agreement (FTA) requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest.³ DOE must grant such applications without modification or delay.⁴ The authorization sought by Solensa S.A. de CV meets the NGA section 3(c) criteria, and, therefore, is deemed to be consistent with the public interest.

1. Authority to regulate the imports and exports of natural gas, including liquefied natural gas, under section 3 of the NGA (15 U.S.C. § 717b) has been delegated to the Assistant Secretary for FECM in Redelegation Order No. S4-DEL-FE1-2023, issued on April 10, 2023.

2. Solensa S.A. de CV's blanket authorization, granted in DOE/FECM Order No. 4856, extends through September 29, 2024.

3. 15 U.S.C. § 717b(c).

4. *Id.*

ORDER

Pursuant to section 3(c) of the NGA, it is ordered that:

A. Solensa S.A. de CV is authorized for the activity described below. This authorization shall be effective for a two-year term beginning on September 30, 2024, and extending through September 29, 2026.

1. Export LNG to Mexico by truck, up to a total volume equivalent to 0.5 Bcf of natural gas, from any LNG departure facility in the United States and its territories

B. **Monthly Reports:** With respect to the imports and/or exports authorized by this Order, Solensa S.A. de CV shall file with the Office of Regulation, Analysis, and Engagement, within 30 days following the last day of each calendar month, a report on Form FE-746R indicating whether imports and/or exports have been made. Monthly reports must be filed whether or not initial deliveries have begun. If no imports and/or exports have been made, a report of "no activity" for that month must be filed. If imports and/or exports have occurred, the report must provide the information specified for each applicable activity and mode of transportation, as set forth in the Guidelines for Filing Monthly Reports. These Guidelines are available at: <https://www.energy.gov/fecm/guidelines-filing-monthly-reports>.

(Approved by the Office of Management and Budget under OMB Control No. 1901-0294)

C. The first monthly report required by this Order is due not later than November 30, 2024, and should cover the reporting period from September 30, 2024 through October 31, 2024.

Issued in Washington, D.C., on August 16, 2024.
