ALLIANCE PIPELINE L.P.

DOCKET NO. 24-90-NG

ORDER GRANTING BLANKET AUTHORIZATION
TO IMPORT NATURAL GAS FROM CANADA

DOE/FECM ORDER NO. 5182

OCTOBER 15, 2024

I. DESCRIPTION OF REQUEST

On September 4, 2024, Alliance Pipeline L.P. (Alliance Pipeline) filed an application with the Office of Fossil Energy and Carbon Management (FECM) of the Department of Energy (DOE) requesting blanket authorization under section 3 of the Natural Gas Act (NGA)¹ for the authority summarized in the list below. The applicant requests the authorization for a two-year term beginning on November 1, 2024.² Alliance Pipeline is a Delaware limited partnership with its principal place of business in Houston, Texas.

1. Import up to 25 billion cubic feet (Bcf) of natural gas from Canada by pipeline at any point on the border between the United States and Canada

II. FINDING

DOE has evaluated the application to determine if the proposed import and/or export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under NGA section 3(c), imports and exports of natural gas, including liquefied natural gas (LNG), from or to any country with which the United States has entered into a free trade agreement (FTA) requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest.³ DOE must grant such applications without modification or delay.⁴ The authorization sought by Alliance Pipeline meets the NGA section 3(c) criteria, and, therefore, is deemed to be consistent with the public interest.

1. Authority to regulate the imports and exports of natural gas, including liquefied natural gas, under section 3 of the NGA (15 U.S.C. § 717b) has been delegated to the Assistant Secretary for FECM in Redelegation Order No. S4-DEL-FE1-2023, issued on April 10, 2023.

2. Alliance Pipeline's blanket authorization, granted in DOE/FECM Order No. 4903, extends through October 31, 2024.

3. 15 U.S.C. § 717b(c).

4. *Id.*

ORDER

Pursuant to section 3(c) of the NGA, it is ordered that:

A. Alliance Pipeline is authorized for the activity described below. This authorization shall be effective for a two-year term beginning on November 1, 2024, and extending through October 31, 2026.

1. Import up to 25 Bcf of natural gas from Canada by pipeline at any point on the border between the United States and Canada

B. **Monthly Reports:** With respect to the imports and/or exports authorized by this Order, Alliance Pipeline shall file with the Office of Regulation, Analysis, and Engagement, within 30 days following the last day of each calendar month, a report on Form FE-746R indicating whether imports and/or exports have been made. Monthly reports must be filed whether or not initial deliveries have begun. If no imports and/or exports have been made, a report of "no activity" for that month must be filed. If imports and/or exports have occurred, the report must provide the information specified for each applicable activity and mode of transportation, as set forth in the Guidelines for Filing Monthly Reports. These Guidelines are available at: <https://www.energy.gov/fecm/guidelines-filing-monthly-reports>.

(Approved by the Office of Management and Budget under OMB Control No. 1901-0294)

C. The first monthly report required by this Order is due not later than December 30, 2024, and should cover the reporting period from November 1, 2024 through November 30, 2024.

Issued in Washington, D.C., on October 15, 2024.
