To Whom it May Concern,

Verbio North America, LLC (“Verbio”) modifies its application to request that export authorizations commence on the date of first export. In light of DOE’s policy of granting authorizations for the period ending on December 31, 2050, Verbio does not believe it is necessary for the authorizations to commence on the earlier of the date of first export *or* five years from the date the requested authorizations are granted.

Thank you.
