

DOE's Proposed Action

To authorize the expenditure of federal funds to design, construct, operate, and maintain portions of the Project Cypress Direct Air Capture (DAC) Hub in western Louisiana.

- DOE is proposing to provide federal funding to the **development, operation, and maintenance** of portions of two DAC facilities (Cypress Northwest & Cypress Southwest)
- Funding for CO₂ delivery and geologic storage infrastructure would **not** be included

Cypress Northwest

Caddo Parish near Shreveport, LA

Cypress Southwest

Calcasieu Parish near Vinton, LA
