

# Industrial Technology Innovation Advisory Committee Meeting

March 21, 2024

9 am – 5 pm ET

U.S. Department of Energy

Washington, D.C.

## Meeting Recording Announcement

***This Zoom call, including all audio and images of participants and presentation materials, may be recorded, saved, edited, distributed, used internally, posted on DOE's website, or otherwise made publicly available. If you continue to access this call and provide such audio or image content, you consent to such use by or on behalf of DOE and the Government for Government purposes and acknowledge that you will not inspect or approve, or be compensated for, such use.***

## Housekeeping Reminders

- **General audience does not have the ability to unmute and/or turn on camera during this presentation.**
- **The chat has been disabled.**

# Agenda – March 21, 2024

■ Introduction	9:00 – 10:00 AM
■ Innovation Pipeline for Industrial Decarbonization	10:00 – 10:35 AM
■ DOE Industrial Decarbonization Strategy	10:35 – 11:30 AM
■ Break	11:30 – 11:40 AM
■ Industrial Efficiency and Decarbonization Office Overview	11:40 – 12:30 PM
■ Lunch	12:30 – 2:00 PM
■ Industrial Efficiency and Decarbonization Office Overview (cont.)	2:00 – 2:30 PM
■ Technologies for Industrial Emissions Reduction Development (TIEReD) Program Lightning Talks	2:30 – 3:45 PM
■ Break	3:45 – 4:00 PM
■ Demonstration & Deployment Lightning Talks	4:00 – 4:40 PM
■ Summary/Additional Q&A	4:40 – 5:00 PM
■ Adjourn	5:00 PM

# Industrial Technology Innovation Advisory Committee (ITIAC)

**Sharon Nolen**  
ITIAC Chair

**Cathy Choi**

**Sue Clark**

**Subodh Das**

**Betsy Dutrow**

**Neal Elliott**

**Anna Fendley**

**Comas Haynes**

**Eric Masanet**

# Industrial Technology Innovation Advisory Committee (ITIAC)

**Abigail Regitsky**

**Jeff Rissman**

**Akshay Sahni**

**Sridhar Seetharaman**

**Sasha Stashwick**

**Jolene Sheil**

**Arun Majumdar**

**Joe Powell**

**We are on a break and  
will return at 10:00  
am ET**

# Industrial Decarbonization Innovation Strategy

**Dr. Avi Shultz**

*Director*

**Industrial Efficiency and  
Decarbonization Office**

# Industrial Decarbonization Commercialization & Deployment Strategy

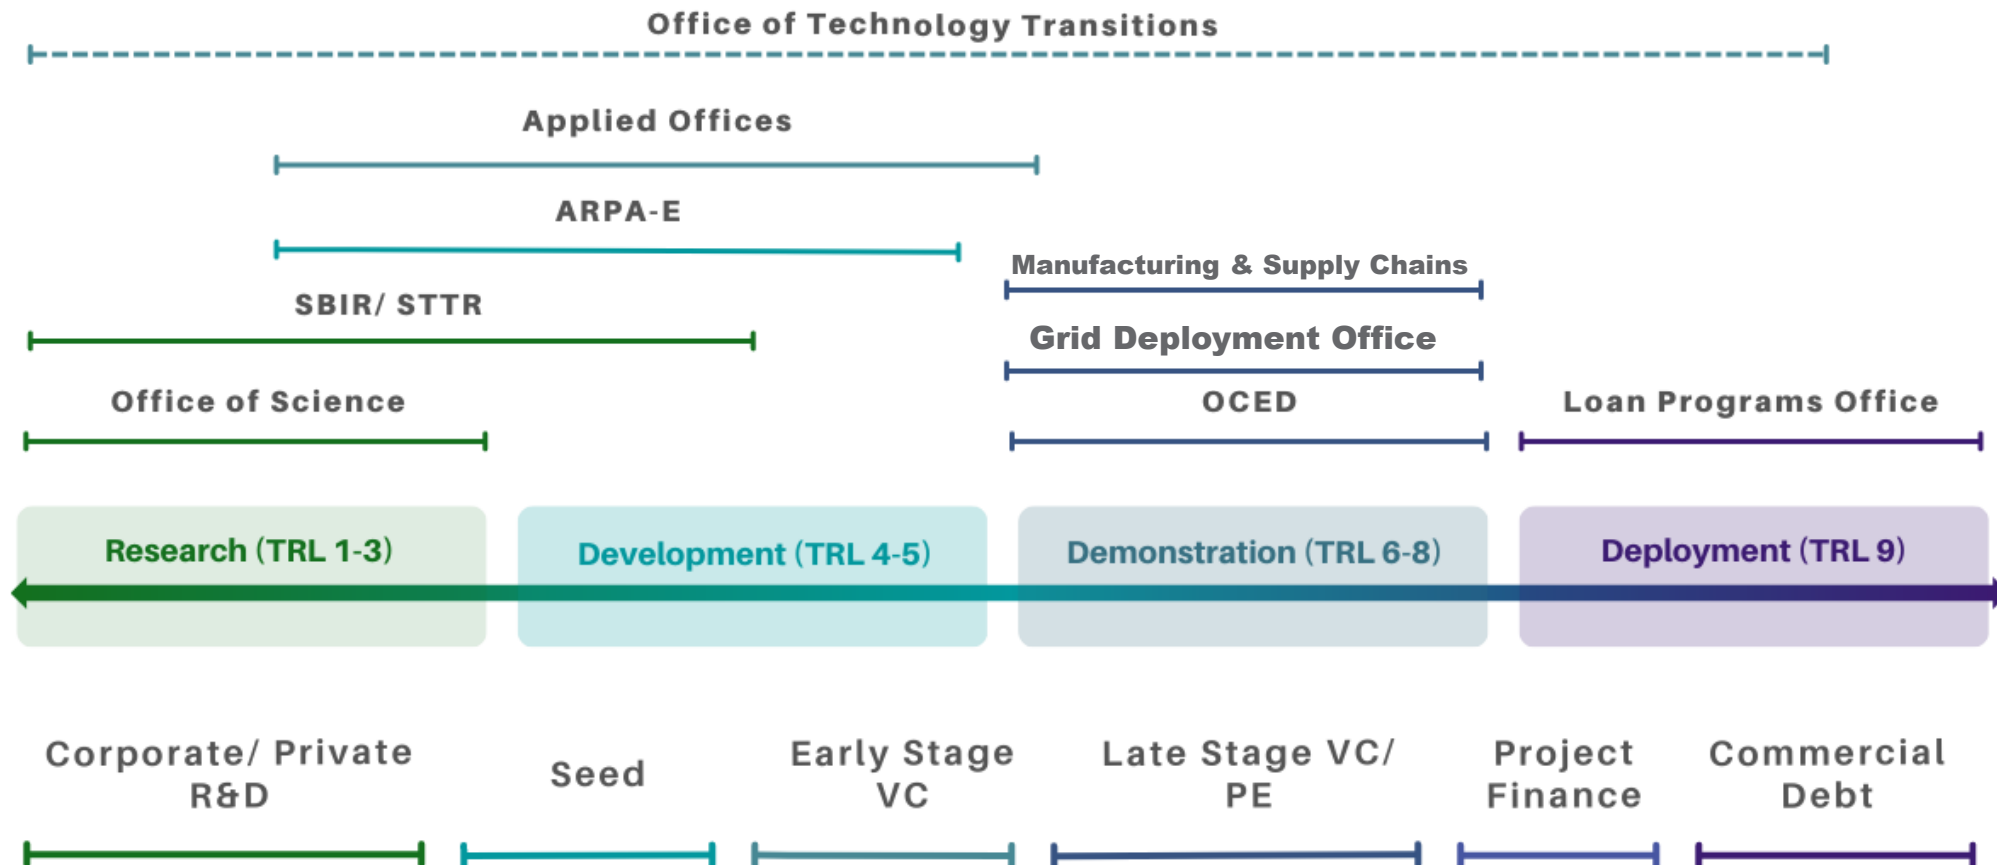

**Arpita Bhattacharyya**

*Senior Advisor and Chief  
Climate Officer*

**Loan Programs Office**

# DOE provides support at every stage in the RDD&D process

## Public-private partnership across RDD&D

# Building a Bridge to Bankability

## Deployment Milestones

Demonstrated  
Innovative  
Technology

1

First  
Commercial  
Deployments

2

Follow-On  
Commercial  
Deployments

3

Commercial  
Scale-Up

4

Commercial  
Debt Market  
Education

Full Market  
Acceptance

Scale-Up & Liftoff to Full Commercialization

# Innovation Pipeline for Industrial Decarbonization Q&A

**Dr. Avi Shultz**

*Director*

**Industrial Efficiency and  
Decarbonization Office**

**Arpita Bhattacharyya**

*Senior Advisor and Chief Climate Officer*

**Loan Programs Office**

# Welcoming Remarks

**Christopher Davis**  
*Chief of Staff*  
**Office of the Secretary**

# DOE Industrial Decarbonization Strategy Moderator

**Dr. Zach Pritchard**  
*Technology Manager*  
*ITIAC Designated Federal Officer*  
*(pending)*

**Industrial Efficiency and  
Decarbonization Office**

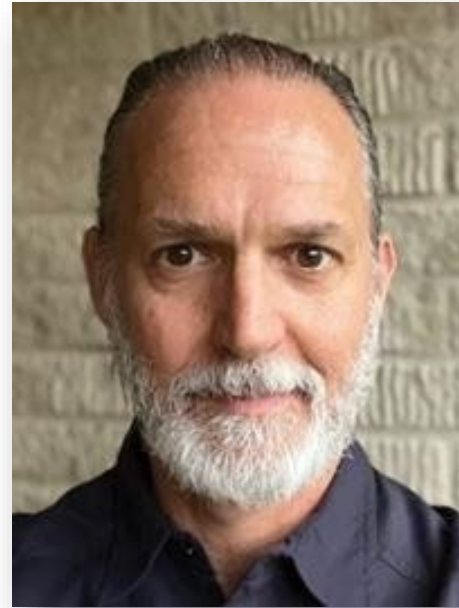

# Industrial Decarbonization Roadmap and Context

**Dr. Avi Shultz**

*Director*

**Industrial Efficiency and  
Decarbonization Office**

**Joe Cresko**

*Chief Engineer*

**Industrial Efficiency and  
Decarbonization Office**

# Liftoff Reports

**Sam Goldman**  
*Policy Advisor*  
**Loan Programs Office**

# Energy Earthshots™

**Joe Cresko**  
*Chief Engineer*  
**Industrial Efficiency and  
Decarbonization Office**

**Dr. Lisa Guay**  
*AAAS Fellow*  
**Bioenergy Technologies  
Office**

# Cross-DOE Collaboration

## Joint Strategy Team (JST) and Technologies for Industrial Emissions Reduction Development (TIEReD) Program

**Kelly Visconti**

*Acting Deputy Director*  
Office of Manufacturing  
and Energy Supply Chains

**Dr. Avi Shultz**

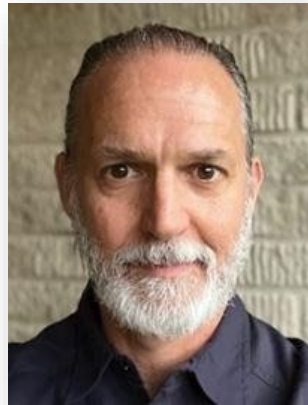

*Director*  
Industrial Efficiency and  
Decarbonization Office

# DOE Industrial Decarbonization Strategy Q&A

## Moderator

**Dr. Zach Pritchard**  
Industrial Efficiency  
and Decarbonization  
Office

**Joe Cresko**  
*Chief Engineer*  
Industrial Efficiency  
and Decarbonization  
Office

**Dr. Avi Shultz**  
*Director*  
Industrial Efficiency  
and Decarbonization  
Office

**Dr. Lisa Guay**  
*AAAS Fellow*  
Bioenergy  
Technologies Office

**Sam Goldman**  
*Policy Advisor*  
Loan Programs  
Office

**Kelly Visconti**  
*Acting Deputy  
Director*  
Office of  
Manufacturing  
and Energy Supply  
Chains

**We are on a break and  
will return at 11:40  
am ET**

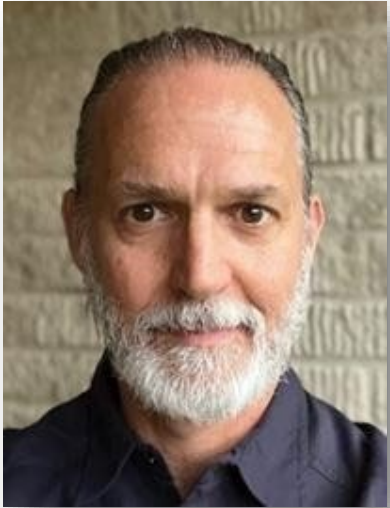

**We are on a break for  
lunch and will return at  
1:00 pm EDT**

# Industrial Efficiency and Decarbonization Office Overview

## Moderator

**Joe Cresko**  
*Chief Engineer*

**Dr. Avi Shultz**  
*Director*

**Dr. Paul Majsztrik**  
*Program Manager,  
Energy- and Emissions-  
Intensive Industries*

**Dr. Zach Pritchard**  
*Technology Manager,  
Cross-Sector  
Technologies*

**Meegan Kelly**  
*Technology Manager,  
Tech Assistance and  
Workforce Development*

# Technologies for Industrial Emissions Reduction Development (TIEReD) Program – EERE Offices Lightning Talks

**Dr. Diana Bauer**  
*Deputy Director*  
Advanced Materials  
and Manufacturing  
Technologies Office

**Dr. Kamala Raghavan**  
*Technology Manager,*  
Concentrating Solar-  
Thermal Power  
Solar Energy  
Technologies Office

**Tomas Green**  
*Technology Manager*  
Hydrogen and Fuel Cells  
Technologies Office

**Dr. Gayle Bentley**  
*Technology Manager,*  
Conversion Technologies  
Bioenergy Technologies  
Office

# Technologies for Industrial Emissions Reduction Development (TIEReD) Program – Other Offices Lightning Talks

**Sarah Forbes**  
*Acting Director, Office of  
Carbon Management  
Technologies*  
Office of Fossil Energy and  
Carbon Management

**Dr. Gail McLean**  
*Chemical Sciences,  
Geosciences, and  
Biosciences Division  
Director*  
Office of Science

**Jason Marcinkoski**  
*Program Manager*  
Office of Nuclear Energy

**Dr. Chris Vandervort**  
*Technology-to-Market  
Advisor*  
Advanced Research  
Projects Agency-Energy

**We are on a break and  
will return at  
4:30 pm ET**

# Demonstration and Deployment Lightning Talks

**Andrew Dawson**  
*Strategy and Program  
Development Director*  
Office of Clean Energy  
Demonstrations

**Kelly Visconti**  
*Acting Deputy Director*  
Office of Manufacturing  
and Energy Supply  
Chains

# Summary & Recap of the Day

**Sharon Nolen**  
*ITIAC Chair*  
Eastman Chemical

**Dr. Zach Pritchard**  
*Technology Manager*  
*ITIAC Designated Federal Officer (pending)*  
Industrial Efficiency and  
Decarbonization Office

# **Adjourn**

**We will begin tomorrow at 9 am ET**

**Thank you!**

# Industrial Technology Innovation Advisory Committee Meeting

March 22, 2024

9 am – 1 pm ET

U.S. Department of Energy

Washington, D.C.

## Meeting Recording Announcement

***This Zoom call, including all audio and images of participants and presentation materials, may be recorded, saved, edited, distributed, used internally, posted on DOE's website, or otherwise made publicly available. If you continue to access this call and provide such audio or image content, you consent to such use by or on behalf of DOE and the Government for Government purposes and acknowledge that you will not inspect or approve, or be compensated for, such use.***

# Housekeeping Reminders

- General audience does not have the ability to unmute and/or turn on camera during this presentation.
- The chat has been disabled.
- Public Comments:
  - The deadline for registering to offer public comments during this meeting was 5:00pm EDT on March 20.
  - You may send a written statement to [ITIAC@ee.doe.gov](mailto:ITIAC@ee.doe.gov).

# Agenda – March 21, 2024

▪ Welcome & Opening Remarks	9:00 – 9:15 AM
▪ Committee Discussion on Statute, Charter, and Report	9:15 – 11:00 AM
▪ Break & Group Photo	11:00 – 11:15 AM
▪ Committee Discussion on Statute, Charter, and Report (continued)	11:15 – 12:00 PM
▪ Next Steps	12:00 – 1:00 PM
▪ Adjourn	1:00 PM

# Adjourn

Thank you!
