Subject: [EXTERNAL] failure of Gato Negro Permitium Dos to provide required service in Docket No. 24–87–LNG
Date: Sunday, January 19, 2025 10:56:55 AM

Gato Permitium and its counsel never bothered to serve us their December 10 answer. The U.S. Department of Energy should inquire as to why counsel felt they didn't need to serve us, as is explicitly required by DOE's rules of procedure.
