Subject: Gato Negro Permitium Dos, S.A.P.I. de C.V. - Docket No. 24-87-LNG

Greetings,

On January 19, 2025, Tyson Slocum, Energy Program Director of Public Citizen, Inc. (Public Citizen), submitted an email to FECM asserting that Gato Negro Permitium Dos, S.A.P.I. de C.V. (Gato Dos) had failed to serve Public Citizen with Gato Dos' Answer opposing Public Citizen's Motion to Intervene and Protest (Motion) in [Docket No. 24-87-LNG](#). Public Citizen filed its Motion on November 25, 2024, and Gato Dos filed its Answer on December 10, 2024.

On January 27, 2025, Gato Dos responded to Public Citizen's submission with a sworn and notarized affidavit attesting that Gato Dos did, in fact, serve its Answer on Public Citizen via U.S. Mail.

Upon review of Gato Dos's filing and affidavit, we find that Gato Dos properly served Public Citizen, consistent with the Certificate of Service attached to Gato Dos's Answer.

For convenience, we also note that Gato Dos's Answer is available electronically in the above docket.
