Subject: [EXTERNAL] FW: Request for Update to Contact Information for Docket No. 10-111-LNG

Hi Beverly, good morning,

I hope all is going well.

Could you please look into how to permanently remove Janna Chesno from the service list as a contact person for the above-referenced docket? We filed a request to remove Janna from all the DOE service lists back in 2023. She is not showing up on the service list (copy attached for your reference), but we don't know why she is still appearing as a contact as per the e-mail below.

Please assist in removing her.

Thanks so much.

Best,
Dionne
