To Whom It May Concern:

The Division of Natural Gas Regulation in the Office of Fossil Energy and Carbon Management (FECM) of the Department of Energy (DOE) is conducting an annual update to our files of companies with new or existing authorizations. The purpose of this update is to keep track of the appropriate individuals responsible for handling all matters pertaining to your company, including correspondence and monthly reporting. changes to the information submitted with or in the application including, but not limited to, amendments or other changes in the terms and conditions of any natural gas purchase contract, in volumes accepted or offered, or the import and/or export price paid. Notification must also be made in changes of Company Name as the result of a sale, merger, or the company ceases to exist.”

We ask that you please review the company contact information that you have listed with DOE [here](#) and reply to this email only if there are changes needed.
