

# CATEGORICAL EXCLUSION DETERMINATION

---

**Proposed Action Title: MOC EMMO Kitchen**

**Location: Montrose County, Colorado**

**Project Number: 2024-064**

**Expiration Date: December 31, 2030**

---

**A. PROPOSED ACTION DESCRIPTION:** Construction of a kitchenette in the Power Marketing Office of the Montrose Operations Center (MOC). The proposed action would entail the removal of existing cubicle walls and replace them with a kitchenette. Existing waterlines and drainpipes will be tapped and new piping will be installed for the necessary plumbing.

---

**B. STIPULATIONS PERTAINING TO PROPOSAL:**

Handling and disposal of lead-based paint, asbestos, PCB, and other environmentally regulated materials must comply with local, State, Federal, and OSHA regulations. Any construction or remodeling work must certify and document that no hazardous materials were used.

---

**C. NUMBER AND TITLE OF THE CATEGORICAL EXCLUSION BEING APPLIED:**  
(See text in 10 CFR 1021, Subpart D.)

**B1.15 Support buildings:** Siting, construction or modification, and operation of support buildings and support structures (including, but not limited to, trailers and prefabricated and modular buildings) within or contiguous to an already developed area (where active utilities and currently used roads are readily accessible). Covered support buildings and structures include, but are not limited to, those for office purposes; parking; cafeteria services; education and training; visitor reception; computer and data processing services; health services or recreation activities; routine maintenance activities; storage of supplies and equipment for administrative services and routine maintenance activities; security (such as security posts); fire protection; small-scale fabrication (such as machine shop activities), assembly, and testing of non-nuclear equipment or components; and similar support purposes, but exclude facilities for nuclear weapons activities and waste storage activities, such as activities covered in B1.10, B1.29, B1.35, B2.6, B6.2, B6.4, B6.5, B6.6, and B6.10 of this appendix.

---

**D. REGULATORY REQUIREMENTS 10 CFR 1021.410 (b):** (See full text in regulation)

☒ The proposed action fits within a class of actions that is listed in Appendix A or B of 10 CFR 1021.

To fit within the classes of actions listed in Appendix B, a proposal must be one that would not: (1) threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, or similar requirements of the Department of Energy (DOE) or Executive Orders; (2) require siting and construction or major expansion of waste storage, disposal, recovery, or treatment facilities (including incinerators), but the proposal may include categorically excluded waste storage, disposal, recovery, or treatment actions or facilities; (3) disturb hazardous substances; pollutants; contaminants; or Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA)-excluded petroleum and natural gas products that preexist in the environment such that there would be uncontrolled or unpermitted releases; (4) have the potential to cause significant impacts on environmentally sensitive resources, including, but not limited to, those listed in paragraph B(4) of 10 CFR 1021, Subpart D, Appendix B; (5) involve genetically engineered organisms, synthetic biology, governmentally designated noxious weeds, or invasive species, unless the proposed activity would be contained or confined in a manner designed and operated to prevent unauthorized release into the environment and conducted in accordance with applicable requirements, such as those of the Department of Agriculture, the Environmental Protection Agency, and the National Institutes of Health.

☒ There are no extraordinary circumstances related to the proposal that may affect the significance of the environmental effects of the proposal.

☒ The proposal has not been improperly segmented, and the proposal is not connected to other actions with potentially significant impacts, is not related to other proposed actions with cumulatively significant impacts, and is not precluded by 40 CFR 1506.1 or 10 CFR 1021.211.

---

#### **E. DETERMINATION:**

WAPA follows the regulations at 40 C.F.R. Parts 1500–1508, in addition to the Department of Energy’s regulations implementing NEPA at 10 C.F.R. Part 1021 to meet the agency’s obligations under NEPA, 42 U.S.C. §§ 4321 et seq.

Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.
