Re: Louisiana LNG Infrastructure LLC FE Docket No. 16-144-LNG DOE/FE Order Nos. 3968, 3968-A, 3968-B, 4373, 4373-A & 4373-B Long-Term Natural Gas Supply Agreement

To Whom It May Concern:

Louisiana LNG Infrastructure LLC ("Louisiana LNG"), pursuant to the Export Authorizations¹ issued by the U.S. Department of Energy, Office of Fossil Energy and Carbon Management ("DOE/FECM"), hereby submits a summary of major contract provisions² as well as a non-redacted copy of the Base Contract for Sale and Purchase of Natural Gas between Louisiana LNG Gas Management, LLC, an affiliate of Louisiana LNG, and BP Energy Company (together, the "Parties") dated April 28, 2025 and an associated Transaction Confirmation dated April 29, 2025 (together, the "Agreement").

_

Driftwood LNG LLC, Order granting Long-Term, Multi-Contract Authorization to Export Liquefied Natural Gas By Vessel From the Proposed Driftwood LNG Facility in Calcasieu Parish, Louisiana, to Free Trade Agreement Nations, DOE/FE Order No. 3968, FE Docket No. 16-144-LNG (Feb. 28, 2017) ("Order No. 3968"); Driftwood LNG LLC, Order Amending Long-Term, Multi-Contract Authorization to Export Liquefied Natural Gas By Vessel from the Proposed Driftwood LNG Facility in Calcasieu Parish Louisiana, to Free Trade Agreement Nations, DOE/FE Order No. 3968-A, FE Docket No. 16-144-LNG (Dec. 6, 2018) (together with Order No. 3968, "FTA Authorization"); Driftwood LNG LLC, Opinion and Order Granting Long-Term Authorization to Export Liquefied Natural Gas to Non-Free Trade Agreement Nations, DOE/FE Order No. 4373, FE Docket No. 16-144-LNG (May 2, 2019) ("Order No. 4373"); Driftwood LNG LLC, Order Extending Export Term for Authorization to Non-Free Trade Agreement Nations Through December 31, 2050, DOE/FE Order No. 4373-A, FE Docket No. 16-144-LNG (Dec. 10, 2020) (together with Order No. 4373, "Non-FTA Authorization"); Louisiana LNG Infrastructure LLC, Order Granting Request to Amend Authorizations to Export Liquefied Natural Gas to Reflect Corporate Name Change, DOE/FECM Order Nos. 3968-B & 4373-B, Docket No. 16-144-LNG (Feb. 26, 2025) (changing the name of the authorization holder of the FTA Authorization and the Non-FTA Authorization). The FTA Authorization and Non-FTA Authorization are referred to collectively herein as the "Export Authorizations". In light of the authorization holder's corporate name change from Driftwood LNG LLC to Louisiana LNG Infrastructure LLC, and DOE/FECM's approval of such, this filing references the Export Authorizations (individually and collectively) as having been issued in the name of Louisiana LNG Infrastructure LLC.

² See Attachment A.

DOE/FECM (FE-34) May 19, 2025 Page 2

Condition D(2) of Order No. 3968 and Condition I(ii) of Order No. 4373 require Louisiana LNG to file, or cause others to file, with the Office of Regulation, Analysis, and Engagement a non-redacted copy of all executed long-term contracts associated with the long-term supply of natural gas. Additionally, DOE/FECM has stated that such long-term contracts may be filed under seal because it "recognizes that some information in ... long-term contracts associated with the long-term supply of natural gas ... may be commercially sensitive." Under the Export Authorizations, DOE/FECM provided that, should Louisiana LNG file, or cause to be filed, long-term contracts under seal, it also must file either: (i) a copy of the long-term contract with commercially sensitive information redacted, or (ii) a summary of all major provisions of the contract.

The Agreement contains significant, sensitive privileged and confidential information that is both commercial and financial, the release of which would cause competitive and financial harm to the Parties by providing such proprietary, commercially valuable information to competitors and future counterparties. Therefore, the Agreement is being provided to DOE/FECM under seal, via overnight mail. In this regard, and consistent with Order Nos. 3968 and 4373, Attachment A hereto provides a public summary of the major provisions of the Agreement.

Should you have any questions, please contact the undersigned at (212) 506-3710.

Respectfully submitted,

/s/ Lisa M. Tonery

³ Order No. 3968, at 8; Order No. 4373, at 66.

Attachment A Natural Gas Supply Agreement Public Summary

1. DOE Order/FE Docket No(s):

DOE/FE Order Nos. 3968, 3968-A, 3968-B, 4373, 4373-A & 4373-B FE Docket No. 16-144-LNG

2. LNG Liquefaction/Export Facility and Location:

The proposed natural gas liquefaction and export facility constructed and operated by Louisiana LNG Infrastructure LLC to be located near the city of Carlyss in Calcasieu Parish, Louisiana.

3. Exact Legal Name of Parties/Counterparties to Contract:

Seller: BP Energy Company

Buyer: Louisiana LNG Gas Management, LLC

4. Describe affiliation with the Export Facility (e.g. owner, capacity holder etc.):

The Buyer is Louisiana LNG Gas Management, LLC, an affiliate of the export authorization holder, Louisiana LNG Infrastructure LLC, under DOE/FE Order Nos. 3968, 3968-A, 3968-B, 4373, 4373-A & 4373-B.

5. Contract Type:

NAESB Base Contract for Sale and Purchase of Natural Gas and Transaction Confirmation

6. Date of the Contract:

April 28, 2025 (Base Contract for Sale and Purchase of Natural Gas) and April 29, 2025 (Transaction Confirmation)

7. Supply Period:

Seven years

8. Quantity:

The quantity of natural gas is 150,000 MMBtu per day, which may be increased in accordance with certain other provisions of the agreement.

9. Take or Pay Provisions:

Pursuant to the terms of the contract, in respect of any day, the Seller is obliged to deliver to Buyer a specified quantity of gas, or compensate the Buyer if not made available, unless otherwise excused under the contract. Similarly, in respect of any day, the Buyer is obliged to take a specified quantity of gas, or compensate the Seller if not taken, unless otherwise excused under the contract.
