Industrial Efficiency & Decarbonization Office

Industrial Technology Innovation Advisory Committee Meeting

Thursday, January 16, 2025

12 – 5 pm ET

Virtual (ZoomGov)

A photograph of an industrial facility, likely a refinery or chemical plant, featuring tall distillation columns and complex piping. The image is overlaid with a semi-transparent green leaf pattern. The background is a bright blue sky with white clouds. The entire graphic is framed by a diagonal split between blue and green colors.

*We will begin
momentarily...*

MEETING RECORDING ANNOUNCEMENT

This Zoom call, including all audio and images of participants and presentation materials, may be recorded, saved, edited, distributed, used internally, posted on DOE's website, or otherwise made publicly available. If you continue to access this call and provide such audio or image content, you consent to such use by or on behalf of DOE and the Government for Government purposes and acknowledge that you will not inspect or approve, or be compensated for, such use.

HOUSEKEEPING REMINDERS

General audience does not have the ability to unmute and/or turn on camera during this presentation.

The general chat has been disabled.

Members: Please note in the panelist chat if you have to step away from the meeting at any point.

Public comments:

- The deadline for submitting public comments to share during this meeting was 5:00 pm ET on January 13
- You may send a written statement to ITIAC@ee.doe.gov

ITIAC NOMINATIONS

- DOE is continually seeking ITIAC nominations for consideration for future membership vacancies and to maintain balance in points of view
- Submissions should include the nominee's name, resume, biography, and any letters of support
- Committee members are appointed for a two-year term and may be reappointed for up to two successive terms
- Submit nominations/questions to ITIAC@ee.doe.gov

See website for more details: www.energy.gov/eere/iedo/industrial-technology-innovation-advisory-committee#candidates

WELCOME & OPENING REMARKS

Sharon Nolen
ITIAC Chair
Eastman Chemical

Dr. Zach Pritchard
Technology Manager
ITIAC Designated Federal Officer
Industrial Efficiency and
Decarbonization Office

AGENDA

Agenda Item	Time
Welcome & opening remarks	12:00 – 12:05 pm ET
Review and vote on 30 total ITIAC recommendations (including 2 breaks) <ul style="list-style-type: none">• Overarching DOE Strategy and Budget – 5 recommendations• Cross-Cutting Technologies and Opportunities – 7 recommendations• Industrial Subsectors – 5 recommendations• Overcoming Barriers – 11 recommendations• Workforce and Social Considerations – 2 recommendations	12:05 – 4:55 pm ET
Vote on overall report, including introduction, conclusion, and recommended publications	
Public comment (none received)	
Conclusion	4:55 – 5:00 pm ET
Adjourn	5:00 pm ET
