Subject: [EXTERNAL] Opposition - Docket No. 18-70-LNG - Mexico Pacific Limited LLC Extension Application
Date: Friday, August 8, 2025 3:47:11 PM

Dear Department of Energy:

I strongly oppose the extension request by Mexico Pacific Limited LLC for the Saguaro Energía project.

This project would massively pollute (33 million tons of CO2 annually), threaten unique Gulf of California ecosystems, affect indigenous peoples without adequate consultation, and perpetuate fossil fuel dependence when we urgently need energy transition.

I request that you DENY this extension and promote renewable energy alternatives instead.

Respectfully,
Ivan Sawyer
