Comment on FR Doc # 2025-12763

Submitter Information

Name: Silvia Fernandez

Address: Mexico,

General Comment

No to this project, not to pollute and destroy my country, it is home to many marine species, economic activity of peoples, a total ecocide, money can never return to lost animals, it cannot create life or do anything about it. Whales are protected, and we are their voice and we do NOT want this horrible project in our country!!!! Money corrupts and doesn't let them see clearly everything that can happen.
