General Comment

This project threatens more than the whales lives.

The whole world works in a very interconnected system and messing with one ecosystem highly alters the others.

We can't keep having this project in the same of profit.

More importantly it is NOT a national necessity and it will directly affect the economy of the whole country.

The people behind this project are well aware of the damages and consequences, they're just choosing to ignore it.

Please don't.

Don't allow them to
