General Comment

STOP Saguaro Project NOW!

As a Mexican and environmentalist I urge you to STOP and CANCEL the gas project. If the USA wants to sell gas, go for it, we know you don't care about the planet.

But we Mexicans LOVE OUR WHALES, we love biodiversity, and our Sea of Cortés. It is a nursery not only for whales but for hundreds of other ocean species like sharks, turtles, the "vaquita marina" and many more. It is one of the last well conserved ocean spots of the world.

We DON'T WANT KILLER WHALE SHIP TANKS navigating through and killing and contaminating. We want and have the right to have clean beaches and ecosystems on OUR LAND.

IF YOU WANT TO BUILD A PIPELINE, DO IT THROUGH YOUR OWN TERRITORY AND DONT MESS WITH OUR NATURAL ECOSYSTEMS PRECIOUS TO MEXICO AND THE WORLD.

STOP SAGUARO AND ANY OTHER GAS PROJECT IN THE AREA.
