Document: DOE-HQ-2025-0240-DRAFT-0353

Comment on FR Doc # 2025-12763

Submitter Information

Name: Reyes Carmen

General Comment

As a Mexican, I disagree with the Saguaro project, as its environmental impact represents a threat to the unique marine ecosystem, pollutes the air, and creates a sacrifice zone for residents. The benefits of this project will go to other countries, while the unwanted environmental impact will remain in Mexico!
