Document: DOE-HQ-2025-0240-DRAFT-0389

Comment on FR Doc # 2025-12763

Submitter Information

Name: Angel Alarcon

Address: Mexico,

General Comment

No one has the right to control this planet, our planet, this project the only thing that is gonna do it's kill faster the biodiversity, and the limited resources of the world, just to make the rich people to become richer and impoverishing the rest of us, killing species that are here before us. If u have a heart in some place use it and understand what is the right thing to do
