ORDER GRANTING REQUEST TO AMEND AUTHORIZATION TO IMPORT NATURAL GAS FROM CANADA TO REFLECT CORPORATE NAME CHANGE

DOE/FECM ORDER NO. 5247-A

On February 18, 2025, the Office of Fossil Energy and Carbon Management (FECM) of the Department of Energy (DOE) issued DOE/FECM Order No. 5247 (Docket No. 25-2-NG), under section 3 of the Natural Gas Act (NGA).¹ That order granted the entity known at the time as Veren U.S. Corp. (Veren U.S.) authorization to import up to 80 billion cubic feet of natural gas from Canada by pipeline, for a two-year term that began on March 2, 2025, and extends through March 1, 2027.

On June 1, 2025, DOE was notified that Veren U.S.'s corporate name had been changed to "Whitecap U.S. Corp." (Whitecap U.S.), effective May 12, 2025. Whitecap U.S. states that this is a company name change.²

DOE finds that Whitecap U.S.'s request to amend the specified authorization to reflect its corporate name change is consistent with the public interest, pursuant to NGA section 3.

ORDER

Pursuant to section 3 of the Natural Gas Act, it is ordered that:

A. The name of the authorization holder of DOE/FECM Order No. 5247 is amended to Whitecap U.S. Corp.

¹ Authority to regulate the imports and exports of natural gas, including liquefied natural gas, under section 3 of the NGA (15 U.S.C. § 717b) has been delegated to the Assistant Secretary for FECM in Redelegation Order No. S4-DEL-FE1-2023, issued on April 10, 2023.

² See Emails from Nancy Sarsons, Whitecap U.S. (June 1, 2025 and July 21, 2025).

B. All obligations arising under DOE/FECM Order No. 5247 no longer apply to Veren U.S. Corp., and now apply to Whitecap U.S. Corp.

Issued in Washington, D.C., on August 21, 2025.
