Docket No. 25-96-NG, Order No. 5329

To The Office of Fossil Energy:

Pursuant to Section 3(c) of the Natural Gas Act, Calpine Energy Services, L.P., hereby provides notice to the U.S. Department of Energy (“DOE”), Office of Fossil Energy, of a forthcoming change in upstream ownership.

On January 10, 2025, Constellation Energy Corporation entered into an agreement to acquire Calpine Corporation. The merger transaction was approved by the Federal Energy Regulatory Commission on July 23, 2025, and is anticipated to close in Q4 2025 following clearance from the Department of Justice and other customary closing conditions. As a result of this transaction, effective as of the closing date, the upstream ownership of Calpine Energy Services, L.P., the holder of the short-term DOE natural gas import/export authorization issued under Docket No. 25-96-NG, Order No 5329, will change to Constellation Energy Corporation.

Calpine Energy Services, L.P., will continue to conduct import and export activities pursuant to Order No. 5329, and no changes to the terms or conditions of the authorization are requested at this time.
