ORDER VACATING BLANKET AUTHORIZATION  
TO IMPORT NATURAL GAS FROM CANADA,  
TO EXPORT NATURAL GAS TO MEXICO,  
TO IMPORT LIQUEFIED NATURAL GAS FROM CANADA BY TRUCK, AND  
TO EXPORT LIQUEFIED NATURAL GAS TO MEXICO BY TRUCK

DOE/FECM ORDER NO. 5053-A

DECEMBER 3, 2025

On October 30, 2023, in DOE/FECM Order No. 5053, the Office of Fossil Energy and Carbon Management (FECM) of the Department of Energy (DOE) granted blanket authorization to New World Global, LLC (New World Global) to import natural gas from Canada by pipeline, to export natural gas to Mexico by pipeline, to import liquefied natural gas (LNG) from Canada by truck, and to export LNG to Mexico by truck up to a combined total volume equivalent to 50 billion cubic feet (Bcf) of natural gas. This blanket authorization is effective for a two-year term that began on January 14, 2024, and extends through January 13, 2026.

On November 18, 2025, New World Global notified DOE that this authorization is no longer needed.<sup>1</sup> New World Global therefore requests that DOE vacate Order No. 5053, effective December 11, 2025. DOE finds good cause to do so.

Accordingly, pursuant to section 3 of the Natural Gas Act, New World Global's blanket authorization to import natural gas from Canada, to export natural gas to Mexico, to import LNG from Canada by truck, and to export LNG to Mexico by truck up to a combined total volume equivalent to 50 Bcf of natural gas, granted in DOE/FECM Order No. 5053 on October 30, 2023, is hereby vacated, effective December 11, 2025.

Issued in Washington, D.C., on December 3, 2025.
