

(v) The extent to which the project (1) protects against extreme weather events, such as floods or hurricanes; or (2) helps maintain or protect the environment. 33 U.S.C. 3907(b)(2)(F).

(vi) The extent to which the project serves regions with significant energy exploration, development, or production areas. 33 U.S.C. 3907(b)(2)(G).

(vii) The extent to which a project serves regions with significant water resource challenges, including the need to address: (1) water quality concerns in areas of regional, national, or international significance; (2) water quantity concerns related to groundwater, surface water, or other water sources; (3) significant flood risk; (4) water resource challenges identified in existing regional, state, or multistate agreements; or (5) water resources with exceptional recreational value or ecological importance. 33 U.S.C. 3907(b)(2)(H).

(viii) The extent to which the project addresses identified municipal, state, or regional priorities. 33 U.S.C. 3907(b)(2)(I).

(ix) The readiness of the project to proceed toward development, including a demonstration by the obligor that there is a reasonable expectation that the contracting process for construction of the project can commence by not later than 90 days after the date on which a Federal credit instrument is obligated for the project under WIFIA. 33 U.S.C. 3907(b)(2)(J).

(x) The extent to which assistance under WIFIA reduces the contribution of Federal assistance to the project. 33 U.S.C. 3907(b)(2)(K).

## IX. Federal Requirements

All projects receiving SWIFIA credit assistance must comply with applicable Federal requirements. Compliance with Federal requirements is not required for submitting a letter of interest, being invited to apply for a loan, or submitting an application. The WIFIA division will review selected projects for compliance with Federal requirements once they have submitted an application. Additional information about Federal compliance requirements is available at <https://www.epa.gov/wifia/wifia-federal-compliance-requirements>.

## X. Opportunities To Learn More About the SWIFIA Program

EPA hosts regular outreach events and monthly office hours to provide further information about submitting an LOI. The outreach schedule and registration instructions can be found on the WIFIA website: <https://www.epa.gov/wifia/connect-wifia-program>.

Prospective borrowers with questions about the program or interest in meeting with the WIFIA division staff may send a request to [wifia@epa.gov](mailto:wifia@epa.gov). EPA will meet with all prospective borrowers interested in discussing the program prior to submission of an LOI.
