ORDER VACATING BLANKET AUTHORIZATION
TO IMPORT NATURAL GAS FROM CANADA

DOE/HGEO ORDER NO. 5357-A

FEBURARY 27, 2026

On October 27, 2025, in DOE/FECM Order No. 5357, the Office of Fossil Energy and Carbon Management (FECM) (now known as the Hydrocarbons and Geothermal Energy Office)¹ of the Department of Energy (DOE) granted blanket authorization to City of Portal, Incorporated (City of Portal) to import up to 13 billion cubic feet (Bcf) of natural gas from Canada by pipeline. This blanket authorization extends for a two-year term that began on October 24, 2025, and extends through October 23, 2027.

On February 03, 2026, City of Portal, notified DOE that this authorization is no longer needed.² City of Portal therefore requests that DOE vacate Order No. 5357, effective November 30, 2025. DOE finds good cause to do so.

Accordingly, pursuant to section 3 of the Natural Gas Act, City of Portal's blanket authorization to import up to 13 Bcf of natural gas from Canada, granted in DOE/FECM Order No. 5357 on October 27, 2025, is hereby vacated, effective November 30, 2025.
