ORDER GRANTING BLANKET AUTHORIZATION  
TO IMPORT AND EXPORT NATURAL GAS  
FROM AND TO CANADA

DOE/HGEO ORDER NO. 5393

FEBRUARY 27, 2026

## I. **DESCRIPTION OF REQUEST**

On January 22, 2026, Dantes Energy, LLC (Dantes Energy) filed an application with the Hydrocarbons and Geothermal Energy Office (HGEO) of the Department of Energy (DOE) requesting blanket authorization under section 3 of the Natural Gas Act (NGA)<sup>1</sup> for the authority summarized in the list below. The applicant requests the authorization for a two-year term beginning on February 27, 2026. Dantes Energy is a Delaware limited liability company with its principal place of business in Chicago, Illinois.

1. Import natural gas from Canada by pipeline at any point on the border between the United States and Canada
2. Export natural gas to Canada by pipeline at any point on the border between the United States and Canada

Import and export authority was requested for up to a combined total volume equivalent to 1 billion cubic feet (Bcf) of natural gas.

---

1. On November 20, 2025, the Office of Fossil Energy and Carbon Management (FECM) changed its name to the Hydrocarbons and Geothermal Energy Office (HGEO). Authority to regulate the imports and exports of natural gas, including liquefied natural gas, under section 3 of the NGA (15 U.S.C. § 717b) has been delegated to the Assistant Secretary for FECM (now the Assistant Secretary for HGEO) in Redefinition Order No. S4-DEL-FE1-2023, issued on April 10, 2023.

## II. **FINDING**

DOE has evaluated the application to determine if the proposed import and/or export arrangements meet the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under NGA section 3(c), imports and exports of natural gas, including LNG, from or to any country with which the United States has entered into a free trade agreement (FTA) requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest.<sup>2</sup> DOE must grant such applications without modification or delay.<sup>3</sup> The authorization sought by Dantes Energy meets the NGA section 3(c) criteria and, therefore, is deemed to be consistent with the public interest.

### **ORDER**

Pursuant to section 3(c) of the NGA, it is ordered that:

A. Dantes Energy is authorized for the activity described in the list below. This authorization shall be effective for a two-year term beginning on February 27, 2026, and extending through February 26, 2028.

2. Export natural gas to Canada by pipeline at any point on the border between the United States and Canada
