**Re: Commonwealth LNG, LLC – Long-Term Contract Amendments and Summary
DOE/HGEO Docket No. 19-134-LNG; DOE/HGEO Order Nos. 4521, 5238-A**

Dear Ms. Sweeney:

Pursuant to Ordering Paragraph D of DOE/HGEO 4521, and Ordering Paragraph F of DOE/HGEO Order 5238-A, Commonwealth LNG, LLC (“Commonwealth”) submits for filing under seal by overnight mail, non-redacted copies of four amendments to the long-term sale and purchase agreement (“SPA”) originally entered into with EQT LNG Trading LLC (“EQT”) on September 5, 2025 for the sale and long-term export of liquefied natural gas (“LNG”) from the Commonwealth LNG terminal. These amendments were entered into on the following dates:

- Amendment No. 1 — December 17, 2025
- Amendment No. 2 — February 16, 2026
- Amendment No. 3 — March 21, 2026
- Amendment No. 4 — March 21, 2026

These amendments revise certain aspects of the EQT SPA currently on file with DOE/HGEO, including the contracted annual quantity, modifications to certain pricing mechanisms, buyer/seller obligations, and other administrative modifications. These amendments do not otherwise materially alter the terms of the SPA. Commonwealth respectfully requests confidential treatment of these amendments to the greatest extent permitted by law because they contain highly confidential and commercially sensitive and proprietary information. Consistent with Ordering Paragraph D of DOE/HGEO Order 4521, and Ordering Paragraph F of DOE/HGEO Order 5238-A, Commonwealth also includes with this filing a summary of the main provisions of EQT SPA following these amendments for public posting.

If you have any questions regarding this filing, please contact the undersigned.

Best regards,

/s/Timothy J. Furdyna
