Subject: [EXTERNAL] Plaquemines LNG Second Uprate Application

To Whom It May Concern,

I am writing to file a formal protest against Venture Global's applications to increase gas exports and expand the Plaquemines LNG facility (DOE Docket & FERC Dockets CP22-92 / PF25-7-000) [1.2.2, 1.3.5, 1.3.6].

My family has deep, multigenerational roots in this parish. This is our homeland, not a corporate sacrifice zone. I oppose these expansions because the company has committed over 2,000 air permit violations, operated with illegal permit exemptions, and caused massive dredging spills that are actively destroying local wetlands and burying our fishing infrastructure []. Outside corporations should not be allowed to cut corners and ruin our coastal communities. I urge the DOE and FERC to deny these expansion permits [1.2.2, 1.3.5].

Respectfully submitted,

Tracey Squarsich
