DOCKET NO. 25-102-NG

ORDER GRANTING BLANKET AUTHORIZATION  
TO IMPORT NATURAL GAS FROM CANADA

DOE/HGEO ORDER NO. 5421

MAY 22, 2026

## I. DESCRIPTION OF REQUEST

On August 19, 2025, Merrill Lynch Commodities Canada, ULC (Merrill Lynch Commodities Canada) filed an application with the Hydrocarbons and Geothermal Energy Office (HGEO) of the Department of Energy (DOE) requesting blanket authorization under section 3 of the Natural Gas Act (NGA)<sup>1</sup> for the authority summarized in the list below. The applicant requests the authorization for a two-year term beginning on May 22, 2026. Merrill Lynch Commodities Canada is a Canada corporation with its principal place of business in Houston, Texas.

1. Import up to 23 billion cubic feet (Bcf) of natural gas from Canada by pipeline at any point on the border between the United States and Canada

## II. FINDING

DOE has evaluated the application to determine if the proposed import and/or export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under NGA section 3(c), imports and exports of natural gas, including liquefied natural gas (LNG), from or to any country with which the United States has entered into a free trade agreement (FTA) requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest.<sup>2</sup> DOE must grant such applications without modification or delay.<sup>3</sup> The authorization sought by Merrill Lynch Commodities Canada meets the NGA section 3(c) criteria, and, therefore, is deemed to be consistent with the public interest.

## ORDER

Pursuant to section 3(c) of the NGA, it is ordered that:
