**Re: Commonwealth LNG, LLC – Long-Term Contract Amendment and Summary
DOE/HGEO Docket No. 19-134-LNG; DOE/HGEO Order Nos. 4521, 5238-A**

Dear Ms. Sweeney:

Pursuant to Ordering Paragraph D of DOE/HGEO Order 4521, and Ordering Paragraph F of DOE/HGEO Order 5238-A, Commonwealth LNG, LLC (“Commonwealth”) submits for filing under seal by overnight mail, a non-redacted copy of an amendment to the long-term sale and purchase agreement (“SPA”), initially entered into with Mercuria Energy Trading S.A. (“Mercuria”) on February 1, 2026 for the sale and long-term export of liquefied natural gas (“LNG”) from the Commonwealth LNG terminal. These amendments were entered into on the following dates:

- Amendment No. 1 — March 17, 2026
- Amendment No. 2 — March 25, 2026
- Amendment No. 3 — April 7, 2026
- Amendment No. 4 — April 14, 2026

These amendments revise certain aspects of the Mercuria LNG SPA currently on file with DOE/HGEO, including the contracted annual quantity, modifications to certain pricing mechanisms, quantity scheduling and delivery obligations, contract extension rights, and other administrative modifications. These amendments do not otherwise materially alter the terms of the SPA.

Commonwealth respectfully requests confidential treatment of the Mercuria amendments to the greatest extent permitted by law because they contain highly confidential and commercially sensitive and proprietary information. Consistent with Ordering Paragraph D of DOE/HGEO Order 4521, and Ordering Paragraph F

of DOE/HGEO Order 5238-A, Commonwealth also includes with this filing a summary of the Mercuria Amendments for public posting.

If you have any questions regarding this filing, please contact the undersigned.

Best regards,

/s/Timothy J. Furdyna
