COUNCIL ON ENVIRONMENTAL QUALITY

Notification of Withdrawal of Guidance Documents

AGENCY: Council on Environmental Quality.

ACTION: Notice of withdrawal of guidance documents.

SUMMARY: The Council on Environmental Quality (CEQ) is withdrawing certain guidance documents.

DATES: The withdrawals are applicable as of June 29, 2026.

FOR FURTHER INFORMATION CONTACT: Jomar Maldonado, Director for the National Environmental Policy Act, 730 Jackson Place NW, Washington, DC 20503, jomar.maldonadovazquez@ceq.eop.gov or (202) 395–5750.

SUPPLEMENTARY INFORMATION:

I. Background and Purpose

Since its establishment in 1970, CEQ has overseen the implementation of the National Environmental Policy Act (NEPA). CEQ previously issued its own NEPA implementing regulations pursuant to direction provided in a now-rescinded Executive Order, and

issued guidance documents interpreting or otherwise citing those now-rescinded NEPA implementing regulations, as well as NEPA and other statutes and various Executive Orders. As a result of CEQ rescinding its NEPA implementing regulations, Congressional amendments to NEPA, revocations of various Executive Orders, caselaw developments, and other intervening events, many guidance documents previously issued by CEQ are facially obsolete or are otherwise unaligned with the current state of the law or with Administration policy. *See Removal of National Environmental Policy Act Implementing Regulations*, 90 FR 10610 (February 25, 2025); *Removal of National Environmental Policy Act Implementing Regulations*, 91 FR 618 (January 8, 2026). Additionally, certain guidance documents previously issued by CEQ have requested agencies provide reports or information by time-specific deadlines that have subsequently passed.

Accordingly, CEQ is hereby withdrawing the documents set forth below. CEQ intends to review all withdrawn guidance documents to determine whether they should be updated and reissued, replaced, or remain withdrawn. Copies of the withdrawn guidance documents listed below will be maintained on CEQ's website (marked as "WITHDRAWN") for historical and informative purposes. CEQ will also continue to review other guidance documents not currently identified below for consideration for potential future withdrawal.
